
Conference: Change the system – Work more fairly

Useful Information

Participation

* Participation in the „Systemcheck“ conference “Change the system - Work more fairly” is free of charge. Prerequisite is a successful registration and confirmation via eventbrite.

Please note: We ask for your understanding that we can only offer limited seating in order to guarantee workable group sizes for the workshops in the sense of a fruitful dialogue. Unfortunately, we cannot always accommodate registrations at short notice. We ask you to arrive in good time and to cancel in advance.

Code of Conduct

* During the Conference we want to make sure that all participants feel comfortable. Although it certainly goes without saying, we would like to establish a common code of conduct to create a respectful and pleasant atmosphere.

- * It is important to us to have an open discussion and fair interaction. This includes, as well as in personal exchanges, a friendly tone as well as tolerance and respect for and with each other.
- * Treat other participants as you would like to be treated.
- * Any form of discrimination or defamation of people or groups based on their origin, religious affiliation, nationality, physical condition, sexual identity, gender, income and/or age will not be accepted and may lead to exclusion from the conference.

Covid-19 Measures

Events organised by the Bundesverband Freie Darstellende Künste e. V. (German Association of Independent Performing Arts) take place in accordance with the current legal protection and hygiene measures for the cultural sector of the respective state at the time of the event.

Furthermore, we recommend that participants wear a medical mask during the event for their own protection as well as for the protection of others. We would also like to ask you to self-test before the start of the event. For events lasting several days, we advise to self-test every day.

Depending on the current situation of the pandemic prior to the conference, we reserve the right to update amended hygiene rules in consultation with the venue.

Please observe the existing hygiene rules and protective measures on site: Keep your distance and make use of disinfection dispensers.
